

### General Instructions:

1. Total duration of the exam was mentioned before starting the test.
2. The examination time will be governed by the server. A countdown timer displayed at the top right corner of the screen will indicate the remaining time. Once the timer reaches zero, the examination will automatically conclude; no manual submission is required.
3. The Question Palette displayed on the right side of the screen indicates the status of each question using the following symbols:

You have not visited the question yet.

You have not answered the question.

You have answered the question.

You have NOT answered the question, but have marked the question for review.

You have answered the question, but marked it for review.

The “Marked for Review” status indicates that the candidate intends to revisit the question. If a question is answered and marked for review, the response will be considered for evaluation unless modified.

### 4. Navigation Instructions:

#### To answer the question, just do the following

- a. Click on a question number in the Question Palette to navigate directly to that question. This action does not save the current response.
- b. Click on **Save & Next** to save your response and proceed to the next question.
- c. Click on **Mark for Review & Next** to save your response, mark the question for review, and proceed to the next question.

**Note:** Responses will not be saved if you navigate to another question without clicking **Save & Next** or **Mark for Review & Next**.

### 5. Answering Instructions:

#### Procedure for answering a multiple choice (MCQ) type question:

- a. Select the correct option (A, B, C, or D) by clicking on the corresponding option.
- b. To deselect an option, click on it again or use the **Clear Response** button.

- c. To change your answer, select a different option.
  - d. Click on **Save & Next** to record your response.
6. To mark a question for review, click on **Mark for Review & Next**. If an answer is provided and the question is **marked for review**, the response will be considered for evaluation unless changed.
  7. To modify an already answered question, revisit the question and follow the standard answering procedure.
  8. Only those questions for which responses have been **saved** or **marked for review after answering** will be considered for evaluation.
  9. Candidates are advised to regularly monitor the timer and ensure timely completion of the examination.
  10. Any form of malpractice or deviation from the prescribed instructions may result in disqualification.
